Motorcycles are an inherently risky mode of transportation, and I assume all associated risks and liabilities. It is my responsibility to be properly licensed, insured, and capable of safely operating my street-legal vehicle. It is my responsibility to wear a USDOT-approved helmet at all times during the event, and I acknowledge that I have been advised to wear gloves, boots, and suitable protective clothing while participating in this event. Regardless of any rally instructions I receive or interpret, I shall in no way deviate from following a safe course or speed. I will abide by lawful traffic regulations at all times. I will use my own best judgment and be prepared to alter route plans if unsafe conditions are encountered.
